

HELPING OUR TROOPS

MASSACHUSETTS

SUPPORTING LOCAL SOLDIERS FROM MASSACHUSETTS WITH CARE-PACKAGES FROM HOME

Helping Our Troops formed in 2006 and has proudly supported all branches of the United States Military with care-packages from home ever since. To date we have shipped over 100 tons of goods overseas to our troops serving our country!

In March, the **Massachusetts National Guard - 181st Infantry Regiment** set out for a twelve month deployment. Among these brave warriors, is one of our own, serving his 5th tour of duty...STONEHAM FIREFIGHTER, SGT. SEAN FITZGERALD.

We are committed to supporting our Massachusetts National Guard and we hope you will join us on this mission...our soldiers depend on us!

Donations of support are critical to our program as each shipment quickly depletes our funds. Helping Our Troops is a 501c3, non-profit, all funds are tax-deductible and will help defer shipping costs which range between \$1,200—\$2000 per month. Help us continue on with our mission by sending your tax-deductible donation today! God Bless Our Troops!
